The Game Changers

COMPLETE COLLEGE AMERICA

1. Metrics & Performance Funding

2. Corequisite Remediation

3. Time and Intensity

4. Guided Pathways - GPS

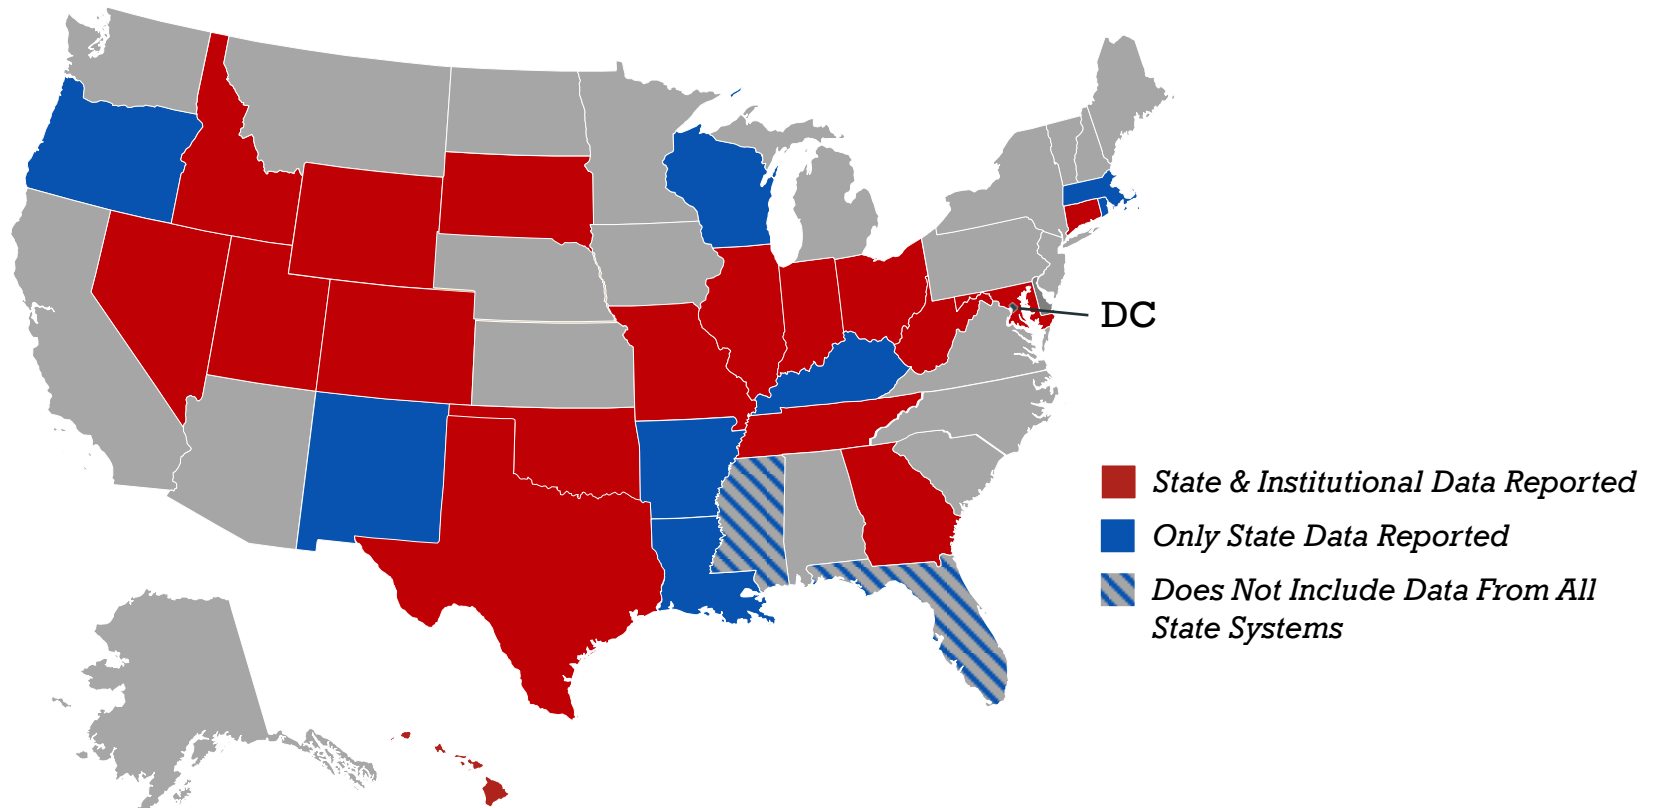

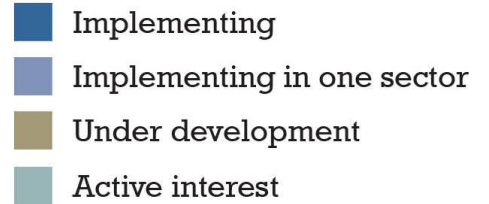

5. Structured Schedules

Metrics

2013 Participating States

GAME CHANGER

**Corequisite
Remediation**

Remediation

**Too many students
start college in
remediation.**

60%

Remediation

Few Ever Get to Gateway

Only **20% of those referred to math** and **40% of those referred to reading** complete a gatekeeper course within three years of initial enrollment.

- Community College Research Center

Remediation

**Too few remedial
students ever
graduate.**

1 in 10

Remediation

Remediation: The effect of attrition.

Students assigned 3 or more semesters of **math** remediation.

KNOW THIS

The remediation system is broken. More students quit than fail.

Source: Hughes, K., Edgecombe, N., & Snell, M. (2011). "Developmental Education: Why and How We Must Reform It." New York: Columbia University, Teachers College, Community College Research Center. Presentation given at the 2011 League for Innovation in the Community College Annual Conference.

Corequisite Options

- 45 minutes after class
- An additional class period or two
- Required lab with mentors
- 5 weeks dev ed, 10 weeks regular course (5 days/wk)
- Two semester stretch course

**Too much choice
— especially uninformed
choice — leads to indecision
or poor decisions.**

A substantial number of people accept — even welcome — a default choice designed by informed professionals.

Structure optimizes design elements for success and minimizes mistakes.

- **Nursing**
- **Engineering**
- **Honors Programs**

**DO
THIS**

GPS: Essential Components

1. Default pathways

2. Informed Choice

3. Meta-Majors

4. Academic Maps

5. Milestone courses

6. Intrusive advising

Structured, Default Pathways Built for On-Time Graduation

- Students don't “discover” the right path; the academic map is the default schedule.
 - Students do **not** need permission to register for courses on their schedule.
 - They **do** need permission to take courses not on their schedule.

Meta-Majors

- Students must choose a meta-major — broad clusters of majors

STEM

Health Sciences

Social Sciences

Liberal Arts

Education

Business

- No student is “unclassified” — those who can’t decide are defaulted into Liberal Arts

Academic Maps (STEM Meta Major)

FIRST-YEAR CORE

TERM 2

 English 102 English 102+ 	3 credits
 Calculus 101 Calculus 101+ 	3
 Bio, Chem, or Physics Core w/lab	4
Biology, Chemistry, or Physics Core w/lab	4
STEM or Engineering Options Seminar	1
CREDITS 15	

Milestone course
required in this term

Gateway course with
corequisite support

Intrusive Advising

- Students must see their advisors before registering for classes if:
 - they do not complete the milestone course on schedule
 - they fall 2 or more courses behind on their academic map
 - they have a 2.0 GPA or less for the semester

GPS Results

Higher graduation rates

More on-time graduates

Closing the achievement gap

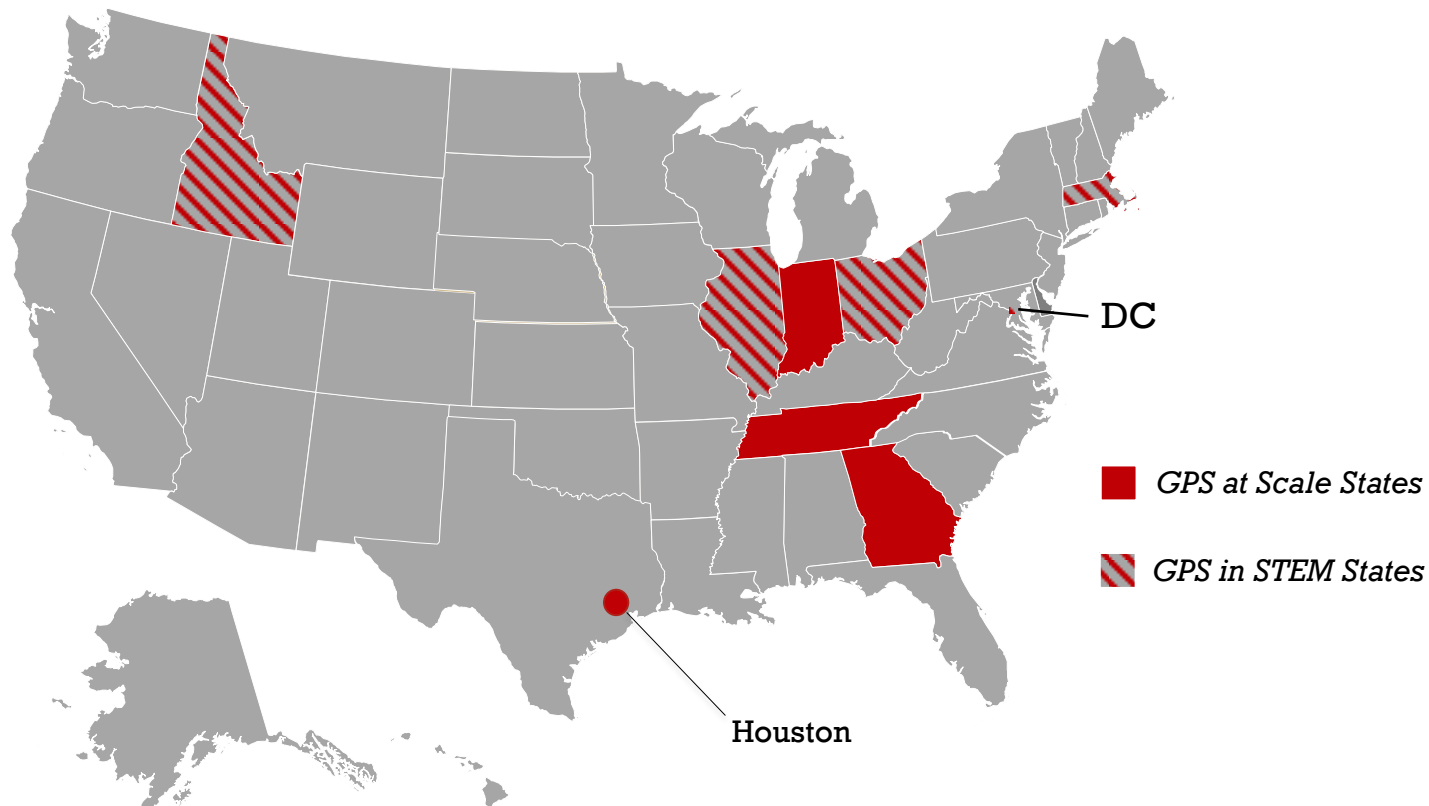

Fewer lost credits — saving time and money
